### The Monthly Team Dive Day

---

This is a great way of going diving and meeting other divers. Held on the second Sunday of each month, we dive all the popular sites around Sydney. There is a shore dive, no charge, or a special boat dive, just \$30 per team diver. No buddy, no worries, we'll pair you up.

A smorgasbord lunch is served after the dive for just \$8.00 a head. A lot of people bring their non diving friends for a day out and lunch.
