

# PADI Wreck Diver Specialty

This course is for people who are certified Advanced Divers, and are looking to be introduced to wreck diving. The PADI Wreck program provides training and experience to safely dive around wrecks, **but does not include penetration skills**. You will cover wreck diving and the law; wreck diving hazards, wreck diving techniques & wreck research. *Depths shall not exceed 39m.*

You will conduct limited viz wreck training on the Itata wreck in Northbridge Bay and be introduced to reels. Other wrecks you may dive are The Royal Sheppard, The Coolooli and The Centurion.

You will need: Mask, snorkel, fins & boots; Appropriate insulation; Dive cylinder; BCD; Regulator with alternate air source and bottom timer; 2 torches; Knife; Whistle; Surface Marker Buoy; and Slate & pencil.

Nice to have: Sling cylinder & a reel
